

# Presto! PageManager® 9

## Document Management and Filing Solution

Presto! PageManager® 9 is much more than a powerful document management for business or personal needs. With the new document and file management tools, it quickly accesses, locates and organizes all the images and scan documents easily. It also features the new Document Pallet which merges multiple files formats from various folders into a multi-page PDF in one process. Presto! PageManager 9 is a comprehensive document manager that enhances work productivity and it also supports direct cloud connections, such as Dropbox and

- ◆ **Cloud Connectivity** – Cloud Connection with Dropbox, Google Drive, SkyDrive, Evernote, Facebook.
- ◆ Add notes and annotations to any PDF document. Also provide advanced tools such as Bates Numbering and Redactioning.
- ◆ **PDF Creation** – Create searchable PDF. Also able to merge, split and rotate PDF files.
- ◆ **Document Pallet** – Simply drag files from multiple folders, converts to a single PDF, and deliver to email or printer in one process without creating duplicate files.
- ◆ **File Stacking** – Stack various types of files for easy organizing or PDF conversion.
- ◆ **Presto! Scan Buttons** – A combination of scan actions in one single File Stacking scan button. Scan to Email, OCR, PDF, Application or the selected folders or public cloud storages with its individual setting.
- ◆ **Document Inbox** – A local or network folder that can be selected as an inbox for monitoring incoming files, faxes or email attachments.
- ◆ **Document Thumbnail Preview**
- ◆ **Direct Send files to Application Bar** – Office 2013 and SharePoint 2013
