

Presto! BizCard 6

The Global Business Card Management Solution

Innovative and Friendly Technologies

- ✓ (New!) The BizCard add-in button in Microsoft Outlook or ACT! Allows scanning of business cards directly into the contact database.
- ✓ (New!) The System Tray BizCard Tool applet provides a quick scan, capture and transfer of data without launching the BizCard software.
- ✓ Optional recognition for both sides of business card. The recognition language can be specified.
- ✓ NewSoft Auto-Cropping technology is a convenient tool that automatically identifies multiple cards in a single scan from your flatbed scanner.
- ✓ NewSoft SFIT (Smart Field Identification Technology) distinguishes data fields of first name, last name, address, etc.

Ease-of-use Contact Management

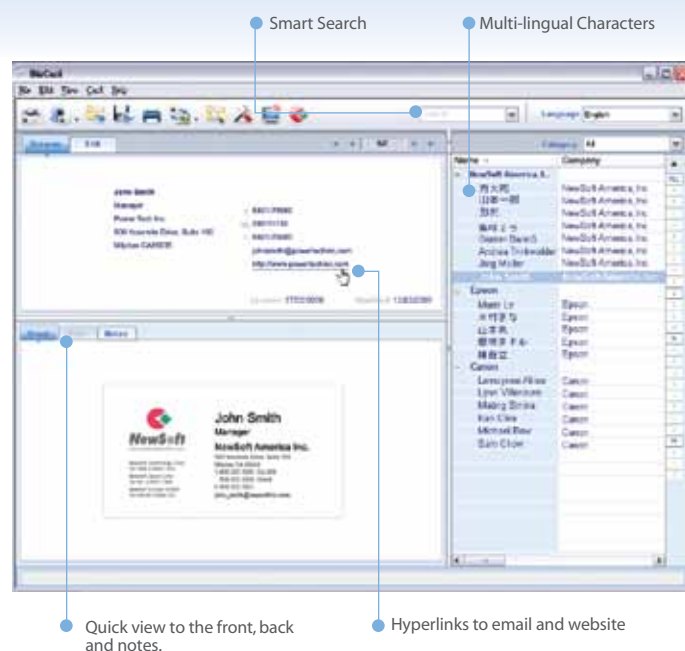

- ✓ (New!) Newly designed user interface provides clean and simple work space.
- ✓ (New!) A smart search feature retrieves contacts instantly.
- ✓ (New!) Organize contacts by company groups, sort by first or last name, or sort by other fields.
- ✓ (New!) Browse mode gives a quick view to the front, back and notes of each card.
- ✓ (New!) Display multi-lingual characters and manage your global contacts in one screen.
- ✓ (New!) Supports 12 Languages including English, German, French, Italian, Spanish, Portuguese, Dutch, Russian, Polish, Chinese-Simplified, Chinese-Traditional and Japanese.
- ✓ Hyperlinks to email and website, access Google Map from the contact's address.
- ✓ Categorize each contact.
- ✓ The full featured printing utility provides a wide range of print capabilities including labels, badges, envelopes, spreadsheets, business card images, etc.
- ✓ Background Processing allows continuous scanning of cards without interruptions.

Exchange Contact Data Effortlessly with your PDA or PIM

- ✓ "One-click" synchronization with Microsoft Outlook, Microsoft Outlook Express, Act!, Lotus Notes, Palm Computing platform, Windows Mobile devices.
- ✓ Export contact data as CSV format that provides a wider range of application data exchange.

System Requirements

- ✓ Microsoft Windows 2000 (SP4), XP (32 or 64-bit), Vista (32 or 64-bit) or Windows 7
- ✓ Pentium II processor or higher (Pentium 4 for Vista)
- ✓ Hard drive with 270 MB free disk space
- ✓ 512 MB RAM (1 GB for Vista)
- ✓ CD-ROM drive
- ✓ One USB port for scanner connection
